

Artworks tell story of Parihaka

Four prestigious artworks by Rangitikei art students are displayed in the windows of the former Westpac building on the corner of Broadway and Wellington Rd in Marton. They are displayed so locals can also celebrate the achievements of Level 2 & 3 Arts students at Rangitikei College. The work is based on the story of Parihaka.

Art teacher Vanessa Edwards says, "At the beginning of the year, students were challenged to research the history, effects and relevance of Parihaka.

"Since then, the works were chosen to be exhibited at the Whanganui Community Art Centre alongside that of students from Whanganui High School and Girls' College.

The region's schools are all studying for the same achievement standard; they're doing a similar body of work and it focuses on their interpretation of the events of Parihaka in 1881.

"Art students had to complete research, work out the level of symbolism to incorporate into their work and do a print, a woodcut, or a painting of their ideas.

In 1881, about 1600 government

troops invaded Parihaka, a place which, at the time, symbolised peaceful resistance to the confiscation of Maori land.

Ms Edwards says, "In the past we've done the whale and we've done huia as a subject, but this is the first time we've done something that is more of a political movement for the kids and I was very impressed with the students' ability to delve into the story and interpret the events in visual form.

"Works that stand out are Alison Edwards' "Fatal Impact" and Aaliyah Te Rangi's "Te Tihi O Te Toka Hukapapa."

Students used symbolism to convey their views and were challenged with working on a large scale, to exhibit in a public arena, alongside other students doing the same assessment. The works were then graded and moderated by all teachers involved.

The students are now working on their portfolios to ensure that they achieve NCEA.

Students exhibiting in Marton are: L3 - Alison Edwards, Mary Laki, Sonja Sieboerger, McKayla Britton. L2 - Tadhg O'Gorman, Aaliyah Te Rangi, Christina Laki.

Pictured with her artwork about Parihaka is Mary Laki, Rangitikei College head girl. She is one of the senior art students with work on display in Marton. She says, "As art students, it felt great, after the hard work we put in, to have our artwork out there. It was an awesome feeling." Now locals can see the quality of the students' work for themselves and read a brief description of its relevance to the 19th century confrontation at Parihaka.

FROM THE PULPIT

'UP CLOSE and PERSONAL'

Size is important!
It's been said that a good BIG man will always beat a good LITTLE man in a sporting contest - maybe that's true but there have been some notable exceptions in history!
One day a boy asked his Dad, "Dad, how BIG is GOD?"
The father hesitated for a bit before answering his young son, looking-up he saw an aircraft passing high overhead so he replied,
"How BIG is that plane?" The boy replied, "It is very small, I can hardly see it."
The boy's dad then took him to the local international airport to look at the aircraft up-close, then he asked him, "Now son, how BIG is that plane?"
In a flash the boy replied, "Wow dad, it is HUGE"
The father then answered his son's original question by saying, "God's size depends on how close or distant you are from Him - the closer you are, the bigger He is, the further you are from Him the smaller He is."
As we reflect upon that simple illustration, we understand the life-principle - God seems small when we view Him from our place on earth and His position in heaven - it seems like He's too far away to make any difference, so we carry on living our lives without any reference to Him except maybe when things go wrong or we get desperate and need help!
That's why God, our heavenly father, sent His only Son - to answer all our questions, to give us hope, to get close to us and have a 'short-distance' relationship!
They say that 'long-distance' marriage relationships rarely work - same with God. He wants to be up close and personal with us!
Make the move and 'snuggle-up' today.
You'll find Him warm and inviting 'cos he LOVES YOU - He always will!

Llew King

Papal medal awarded in Taihape

Story and photo by Richard Aslett

A group of local people gathered for a special service at St Mary’s Catholic Church in Taihape on 14 June, to celebrate the awarding of the Benemerenti Medal to Marie Donovan, for her service to the church in Taihape. Marie, and her sister, Jo, have been assiduous in caring for the altar and vestments used in the church liturgy. A resident of Taihape for all her 90 years, and following the departure of the Josephite Sisters from Taihape, Marie continued their work making sure things were correct for church services in terms of floral decorations and clean linen etc. As a nurse aid in the hospital and her strong involvement in the Floral Society, beautification of the church came naturally and she has made great contributions to the Taihape Community.
The bunches of flowers given to Marie on the day, including one from St Joseph’s School, were gratefully and very emotionally received by her.
The Benemerenti Medal is only awarded sparingly; the previous one was to former Taihape Borough m ayor and notable local, Noel Byford. The medal is a gold Greek cross depicting Christ, with his hand raised in blessing. On the left arm of the cross is the tiara and crossed keys symbol of the papacy. On the right arm is the coat of arms of the current Pope. It is suspended from a yellow and white ribbon, the colours of the papacy. Originally established as an award to soldiers in the Papal Army, members of the Swiss Guard receive it for three faithful years of service. Awarded by the Pope, it was later extended to the clergy and the laity for service to the church. Fr Bernard O’Donnell of Taihape had written the story of Marie's life in applying for the medal and was asked by Bishop Charles Drennan to presentMarie with the merdal, with a handwritten citation in Latin. During the service, an Anointing of the Sick and Elderly was provided for those who requested it. The interior of the church was bathed in brilliant sunlight, on an otherwise grey day “The Church continues to amaze people with its architecture and use of natural lighting” said Fr Bernard.
Afternoon tea was served to all following the service.

Marie Donovan, honoured by Pope Francis for her dedication to serving at St Mary’s Catholic Church in Taihape.

Board game massive hit at fundraiser

Story and photo by Richard Aslett

An evening of fun and fundraising was attended by over 40 people at Taihape Area School, where the 2018 “Random” Board Game world championship was played on Thursday 14 June. A local idea and conception, the “Random” Board Game (or RBG) came from an idea hatched by Michael Andrews (Taihape Rotary Club president) while he was helping friends on their dairy farm. Every time it's played, it is different and its no advantage knowing how to play the game!
Michael doesn't draw any income from the product, indeed, he has devoted it to raising funds for Rotary Youth projects and by donating any sales back to Rotary Clubs, he has identified the future of Rotary, in the students that form the Interact Clubs of today.
The game already has a solid history with Rob Edgar taking the 2017 World Championship of the RBG, while hovering in the wings, Aidan Tapu is there trying to regain the world title that he won in 2016.
Fun as it is, the game it is not just an amusing pastime, it also delivers education at the same time. Local Doctor Lisa Seeber's family, use Random Board Game as a teaching resource. Chris Seeber homeschools all eight of their knowledge hungry children!
On the night of the fundraiser, a \$10 entry was contributed by each playing member, with all funds going to support the TAS Students travelling to Chistchurch at the end of Term 2 for the central NI area school competitions. Five rugby players and four netballers are going from TAS.
Following what was described by Michael as “a great night for all who attended” the eventual 2018 RBG world championship winner was Emma Fellingham The youngest player at the event was just five years old and by all accounts, is a very good player!
You can contact Michael to find out more about the game, and any future championship games being played.
michael@tewhareora.org.nz

Winner of the 2018 World Championship for the Random Board Game is Emma Fellingham with Taihape Rotary president Michael Andrews, who conceived the idea.

Lorraine Pearson, Marton.

Community support led to stationery business

After a seven-month trial the Paper Plus 'Pop Up' shop in Broadway Marton has become a victim of its own success and its a continuing good news story.

Shop manager Sam Marsh says, "The 7-month trial of the 'Pop-Up' stationery and book store had been hugely successful." He says he has been overwhelmed by the support of local businesses and the community, right from the first day. This support has led to the decision to take the next step and open a new store 'One Stop Stationery And Books' as a stand-alone, permanent stationery store, right in the heart of Marton (in the same building).

The two previous staff, Jan Peacock and Sam will man the new store.

Sam says, "One of the differences that you will see, will be the newly sealed footpath and lack of orange cones.

"The new store is expected to be up and running in the next few weeks, but first there are a few i's to dot and t's to cross in the background

"Once again, thanks to the local community and businesses for their support during this changeover period," says Sam.

\$11m for economic development welcomed

Manawatū-Whanganui regional leaders have welcomed Forestry and Regional Economic Development Minister Shane Jones' announcement of almost \$1 million towards planting in the Horizons region and a \$10 million loan to Ruapehu Alpine Lifts Ltd for the construction of a high-speed gondola on the Whakapapa ski field from government's Provincial Growth Fund (PGF).

Horizons Regional Council chair and Accelerate25 lead team member, Bruce Gordon says the announcements will make a significant contribution to the mānuka, land optimisation, and tourism - visitor services opportunities identified in the Manawatū-Whanganui Economic Action Plan as well as provide environmental benefits to the region.

"Investment in planting approximately 1.35 million trees into forestry, made up of over 800,000 mānuka plants, with the rest being predominately radiata pine seedlings and alternative species, creates more than just jobs and revenue streams - planting in our hill country protects farm land from erosion and improves water quality by reducing sediment in rivers," says Mr Gordon.

"Over 1,000 hectares of erosion-prone farm land will be planted throughout the region by the end of September 2018. "We are appreciative of central government's funding towards this winter's planting ahead of the One Billion Trees programme due to be finalised next year.

Ruapehu Mayor Don Cameron says the \$10 million loan to Ruapehu Alpine Lifts Ltd for the construction of a high-speed gondola on Mt Ruapehu is fantastic.

"This investment captures the excitement and promise of tourism development and what it can deliver for the region and NZ's economic future and will enable the \$25 million project to be completed in time for next year's ski season," says Mr Cameron.

"The new alpine lift is estimated to attract additional half a million visitors to our district by 2025, boosting regional tourism, employment and investor confidence for developing other iconic visitor experiences, as we grow visitor expenditure to \$400m by 2028.

"It is rewarding to see the collaborative efforts of our Ruapehu Regional Visitor Development Plan and Accelerate25 coming to fruition. We welcome the formal partnership with central government and local stakeholders."

Mr Gordon says the Minister's announcements are a positive example of how the region has come together to help unlock potential.

"It's important to acknowledge the Provincial Development Unit for making this commitment to our region," he says.

Calling all hardworking men for a Tradies Breakfast

All hardworking men in the Marton area are invited to listen to Flying Doctor Dave Baldwin talk about men's health at a free breakfast.

The brekkie starts at 6.45am until 8.30am on Thursday June 28 at McVerry Crawford Motors showroom in Wellington Rd. While there, they can enjoy a healthy breakfast and might also win spot prizes. It's a health sponsored event as part of the nationwide Men's Health Week.

Dave Baldwin says, "The idea behind having a

men's health month is to draw attention to the fact that men die on average, 4-5 years earlier than women. In addition, men are usually diagnosed with most cancers, strokes and heart attacks much earlier in their lives than women. "This is not because women are much stronger than men. Nup - it's purely because women take care of themselves much better than men. "So, come on blokes, get off you jackzee's and get a regular health check at you local GP and dentist."

Rangitikei councillor Dave Wilson from McVerry Crawford Motors says, "Put your health first and come along. Share some food and learn a few things before you set off to work Thursday."

BITS n' PIECES

Marton Jockey Club Winterfest Business House meeting is on Saturday July 7. Contact Jono Rayner (027 27 27 047) to secure your your table and join Marton for a great day's racing.

Rangitikei Youth Awards finalists announced

The 2018 Rangitikei Youth Awards was the most successful to date with a total of 40 individuals being nominated, either as part of a group or individually. That means that some of these exceptional young people have participated and affected their community in ways that fill multiple criteria.

The assessment panel met on the 12 June to select the winners within each category. The calibre of the nominees was so impressive that the Panel agreed to showcase them by holding an event on 25 July (venue yet to be confirmed) to celebrate their achievements and to announce the winners.

The nominees for each category are below.

Leadership: Jermaine Moke head boy of Rangitikei College, Sophie Ward Year 13 Prefect Rangitikei College, Gillian Bowler 19, former RDC Youth Co-ordinator, Mary Laki head girl of Rangitikei College and Mackenzie Morgan Year 12 Taihape Area School.

Change Maker : Jermaine Moke, May Laki,Sophie Ward and Brylee Coley, all Rangitikei College.

Giving Back: Mary Laki, Sophie Ward, Mackenzie Morgan and Olivia Brown Year 13 Feilding High School, Rangitikei resident.

Youth for Youth: Mary Laki, Sophie Ward, Brylee Coley.

Youth Group: Kia tu nga Rangatahi o Mokai Patea Youth Group from Taihape, 1st Marton Venturer Unit years 14 - 18 year olds, Rangitikei College Pacifica Aiga Youth Group.

SRVS focused on quality animal care

SRVS premises along SH1 in Bulls

Southern Rangitikei Veterinary Services has clinics in both Bulls and Marton, offering a wide range of services. The main clinic, located in Bulls, is built to Best Practice standards, and is a hive of activity all year round. The Marton clinic acts as both a small animal consultation clinic and a retail facility. We currently have a team of 31, comprising of 15 veterinarians, 8 nurses and technicians and 8 support staff. Our companion animal vets are among the most compassionate and caring people you will ever meet, treating your animals as if they were their own. We have modern facilities with state-of-the art equipment to care for your pets. Production farmers will benefit from our personalized approach to animal health. We provide a prompt, efficient emergency care service, and offer tailor-made animal health care programmes suited to individual farms. Whether you farm deer, pigs, goats or alpacas, SRVS offer services for all livestock animals. With dedicated equine vets who have been involved in the equine industry for many years and ride competitively, we can provide a veterinary team that offers you a wealth of experience and knowledge. Our strategy: There is a strong commitment by the team to stand by the four words derived from the SRVS acronym: Service - Respect - Value - Science. Contacts: 233 SH1, Bulls & 48 Tutaenui Rd, Marton, ph 06 3222 333, www.srvs.co.nz

CLUB SCENE

Bulls Friendship Club.

The Bulls Friendship Club meets at the Bulls Friendship Hall on Fridays at 2pm. Last week, our guest entertainer was John McLeod and Rosemary from Wanganui. Between them they gave a performance of some very interesting and enjoyable music. I loved them and look forward to seeing them later in the year. This week, we will be welcoming Alan Bassett for the second time this year. The BFC is a registered charity and by the terms of our registration any person over the age of sixty can join. However, we can make exceptions for those a wee bit younger. For further information, you can just turn up or you can ring our president, Elaine Jeffree on 06 322 1494.

Marton Friendship Club

Morris St Hall open 1pm, programme begins at 2pm. Last week's raffles won by Billy, Ken and Les. Entertainment was by a Wanganui group, The River Folk. Jimmy keyboard, Ann piano accordion and Ailsa soloist. A wonderful hour of music and songs we could all sing to like Hello Mary Lou, Do What You Do Do Well and the old evergreen, I Wander Today To The Hills Maggie and at least 20 more. All of our musicians are very professional and worth listening to. This coming week is a very busy one as our fundraising days are Tuesday and Friday. This is the only time we have a street raffle and ask Marton to support us, so we can support your elderly with quality friendship. This Friday is our potluck day for members – sit down lunch at 12.15pm. See you all there.

Marton Christian Welfare plans for the future

Recently, Marton Christian Welfare, shared some of its history with the Marton and Rangitikei community in an article. Robert Wilson from Marton Christian Welfare says, "We now want to share the exciting aspects that are in the

process of happening now and in the near future, which we believe will further benefit our community.

"In December 2017, with the assistance of an anonymous donation of \$20,000 and two interest free loans from the Marton Rotary Club and E V Calkin Family Trust, Marton Christian Welfare bought the property at 9 Follett St, which is next door to its opportunity shop.

"The purpose of the purchase of this new property is to extend the existing Opportunity Shop building, thus producing more storage, sorting and retail areas for all the wonderful donated goods that our community so generously gives us.

"This exciting venture will further enhance the benefits Marton Christian Welfare extends into the community to various charitable endeavours, by continuing to donate the income we derive from selling these donated goods .

"Just some of the things we currently do are: donations to schools, churches and Red Cross,. We operate a foodbank, assist those in need through the local Budget Services, on request, and as other organisations in the community request assistance, we endeavor to assist them. We also supply Milo to schools for the benefit of pupils.

"On 23 June, the house nextdoor, at 9 Follett St will be demolished and removed.

Plans for the extension have been completed and we are in the process of getting these finalised officially, so that we can obtain trade quotes and building consents.

"As a means of funding the new extension, Marton Christian Welfare will be applying to different funding groups for assistance.

"We hope our community will be as excited as we are, to see this as a necessary and practical venture to further benefit the Marton and Rangitikei District.

Prepare for winter

Home Generators

Portable generators are a great way to provide power to your home in a power outage.

They are portable, relatively easy to use and with increasing innovations, new models are coming out that are quieter, fuel-efficient and lighter in weight.

A portable generator not only means you can run your domestic appliances, it also means a real sense of security during and after severe weather events. While it could provide temporary power to run; lighting, heating and electrical appliances in a power outage, one of the top reasons to have a home generator at the ready, is to keep your refrigerator and freezer running smoothly, saving on food spoilage and wastage.

Not only is a generator an obvious back up power source for your home, it can be useful in the shed or garden. There could also be instances where a portable generator could be a 'lifesaver' in an emergency.

As our planet continues to warm, severe weather events such as storms, flooding etc are expected to increase in regularity, making a portable generator for your home more and more valuable.

Dealing With Coughs and Colds

If you catch a cold, you can expect to be sick for one to two weeks. That doesn't mean you have to be miserable. Besides getting enough rest, these remedies might help you feel better:

Stay hydrated - water, juice, clear broth or warm lemon water with honey helps loosen congestion and prevents dehydration. Avoid alcohol, coffee and caffeinated sodas, which can make dehydration worse.

Rest - your body needs to heal. **Soothe** a sore throat - a saltwater gargle of 1/4 to 1/2 teaspoon of salt dissolved in a glass of warm water can temporarily relieve a sore or scratchy throat. You can also try ice chips, sore throat sprays, lozenges or hard sweets. **Combat stuffiness** - over-the-counter saline nasal drops and sprays can help relieve stuffiness and congestion. **Relieve pain** - Use appropriate painkillers. Ask your chemist for the correct type and dose for your child's age and weight. Adults can take such things as Panadol, ibuprofen or aspirin. **Sip warm liquids** - a cold remedy used in many cultures, taking in warm liquids, such as chicken soup, tea or warm apple juice, might be soothing and might ease congestion by increasing mucus flow. **Add moisture** - a cool-mist vaporizer or humidifier can add moisture to your home, which might help loosen congestion.

Check Heating in Your Home

Choose the most efficient heating system for the space you want to heat. For larger rooms you want to heat regularly, it's worth paying a bit more upfront for a fixed heater with lower running costs and more heat output than a small electric heater can provide. Electric heaters may be enough for smaller rooms and rooms you only heat occasionally. Choose the most efficient model for the job and use and maintain your heater properly. For example, have heat pumps serviced and regularly clean the filters. Some heat pumps have special sensors which can direct airflow in the room or reduce the heat when you leave.

It's recommended that a safety check of your woodfire be carried out before the start of every winter season and, in the event that your door glass is cracked or broken, it should be replaced immediately. Also, you should check the door seal of your woodfire to ensure a perfect seal at all times. A faulty or worn seal will allow excess air in and make it difficult to regulate air intake.

If the door glass consistently has black patches or streaking near the edges, inspect and if necessary replace the door seal as this indicates it is leaking and drawing air from the room.

Why wear thermal clothing?

Thermal Wear is one of the best types of clothing that can be used during winter. When heading out during winter time it is always understandable to have a layer of thermal protection for proper insulation against the cold. It does not matter what outer layer of clothing you wear, thermal wear goes with anything as it can be worn inside your clothes. Thermal wear is available for both men and women and people of every size. Thermal items are usually made up of pure wool, cotton or acrylic materials and are highly comfortable.

Beauchamp Funeral Home reopens

Celebrating with an open day

Beauchamp Funeral Home at 18 Morris St in Marton, is about to open its beautifully refurbished building next week and will celebrate with a public open day on Wednesday June 27 from 12pm until 5.45pm.

The company began life in 1886 as A Cobham & Sons, a two generation family business that had served the area for nearly a century when Peter Beauchamp bought it in 1981. Brothers EW Cobham and VT Cobham retired, due to ill health and neither had a son to carry on the business. EW Cobham described Peter Beauchamp as a very well trained and understanding younger man – fully qualified in funeral directing.

Now Peter Beauchamp has 40+ years of trusted professional experience and is joined in the business by wife Julie and children, Anthony and Emily. The Beauchamp family grew up in Marton and has a deep fondness for the Marton branch of its business. It is where it all began.

The two generations have built a reputation for personal service and excellence at funeral homes in Marton (since 1981), Feilding (1991) and Palmerston North (1996).

The family decided to make a long term investment in the Marton funeral home in Morris St and now it's time for the public to see the results.

Over the past months the building has been transformed into a quality, modern facility, suited to current needs.

The refurbished Beauchamp Funeral Home at 18 Morris St in Marton, reopens next week.

Beauchamp Funeral Home now has two private viewing rooms, comfortably decorated and easy to access.

- FUNERAL HOME -

Beauchamp Funeral Home reopens

Beauchamp Funeral Home is delighted to announce that the highly anticipated renovations to their Marton Funeral Home and Chapel are now complete. They are excited to offer the Marton community a better experience and facility than ever before.

Peter Beauchamp began working alongside Cobham Funeral Directors in 1979 and soon after purchased and re-named the company. The new chapel, as a fond nod to the past, is named "The Cobham Chapel."

The new, expansive chapel and home is slightly larger than the old building to accommodate a gathering area and a second viewing room. It will suit any type of funeral - small to large, religious, non-religious, private or public.

The chapel offers room for 150+ people with two private viewing rooms -one with external access for families so they can have their own key. There is a lounge and kitchen area for catering and the chapel features all the latest audio and visual equipment and built in cameras for live streaming.

Twenty local trades and suppliers from the district and region worked on the refurbishment project.

The Beauchamp family say they appreciate the quality of work and dedication of local tradesmen to the completion of the project and they are very pleased with the result.

"The beautiful work on the total transformation is testament to the local contractors and suppliers involved."

The Beauchamp family would like to thank the community for its patience during the refurbishment and hope that you will agree, it has been worth the wait. They also thank the community for supporting them as a business and as a family for the past 40 years.

As well as being extremely proud of the new facilities, the family has an excellent team committed to providing the highest possible care and personal service.

Beauchamp Funeral Home is a proud member of NZFIH - an association of funeral homes throughout NZ, formed to promote amongst its members the highest standard of professionalism, integrity and service.

Twos: Edith Leary, Graemae Stephens & Kelvin Burt 3rd. 6th hole, 2nd shot closest to pin - Chris Shem.

TAIHAPE GOLF

The final Wilson medal rounds were at stake at Taihape Golf Club over the weekend. The conditions favoured the accurate pitch and putt players, whilst the greens were ultra-receptive. The previous four time winner, Duane Dick stamped his authority over the field, shooting a formidable 68 nett, which included 13 pars and a birdie on the par 5 second. This took Duane's combined best two rounds of three to an excellent 137 nett total, two clear of Briany Bristol and Gary Thomas; both on 139. Also enjoying the receptive green was Gary Cleaver, Briany Bristol, and Alan Thomas; all shooting 69 nett Matt Thomas 71, John Gilbert 72. Matt Booth made a rare, late appearance for a 72, Barrie Randall 74, James Fannin 76 and coming in on 77 nett were: Denise Millner, Kevin O'Brien and Merv Tapp. Twos were recorded on the 6th by Kevin O'Brien and Alan Thomas and on the 14th by Matt Booth. This Sunday, the 4th and second to last Club Champs qualifying, is programmed for a 11.30am tee off.

MARTON NINE HOLE GOLF

Golf on Tue 19th was cancelled due to inclement weather. Next Tues, starters are: Brian Shaw and Bryan Hamerton. Cards: Roy and Neil Powell. Kitchen: Madeline Powell.

MARTON GOLF CLUB

Saturday June 16, 2018. Voucher; SRVS: B Wingate, P Rayner, T Mischewski +4; N Belsham, A Duncan, B Beck, B Hausman, J Logan, G Jongen +3; D Green, T Hammond +2; K Field, A Flemming, R Peters, M Jones +1; P O'Conner, G Marshall, B Cameron square. Twos: T Mischewski 3rd; G McIver, A Stewart 6th; P Skou, P Simpson, S Muir 17th. Being here: B Pratt, H Bremner. Jackpot: 8 balls struck on 17th. Next week: duty, P Skou; bar, A Duncan, R Yorke. Sunday: D Arnott.

ST FRANCIS INDOOR BOWLS

This week, we had another great night of bowls. We had eight teams playing three games of pairs, with the winning team of Neil Gardner and Robin White being the only team with three wins. Bev Shand won the raffle. Next week, we are holding our club championship triples, with a 7 o'clock start. Will see you all there.

AGM

To be held in the club rooms Sunday July 8, 2018 at 2pm

Agenda:

President's report
Presentation of accounts
Election of Officers

Followed by:

Presentation of Trophys
President:
Vitaus Pecekajus.

All welcome to attend.

HYNES, Rod

It's hard to forget someone who gave us so much to remember. We can't let go of memories because they are constant reminders of a great story that we never expected to end. 10 years have passed so fast and we think of you every day. Loved, missed and always in our thoughts. Matt, Kay and family.

BULLS INDOOR BOWLS

Our visitors from St Francis Indoor Bowling Club came and Bulls club ended up with the cup, after a very enjoyable evening. Our next night was ladies versus men. After a number of years of missing out, ladies won the trophy. We have just finished our singles championship. The A grade final of Allan and John was won by Allan and the B grade final between Margaret and Sue was won by Margaret. Don't forget our mid year dinner tomorrow night and then our next session of aggregate points.

8-BALL POOL

Both Rangitikei sides suffered losses in the most recent round of inter-club pool. Marton was away to competition leaders Wanganui East Gold and lost the first ten singles clashes, before Wayne South and Stephen Lewis salvaged some respectability for the team, winning the last two, for a 2-10 score-line, going into the pairs. The Allan Pond / Lee Bush combination won two of its three pairs matches while Ross & Graham Marshall and South & Lewis each won one. Marton lost the pairs 4-5. The final score was 15-6 to Wanganui East Gold. Bulls RSA hosted the Wanganui Cosmopolitan team which recorded its first victory of the season; 13-8. Bulls was down 4-8 after the singles. Jess Trethewey, Maree Harrod, Paul Wild and John Fraser won one match each. Cosmopolitan won the pairs 5-4. For Bulls, Harrod & Carole Hunt won two of their three matches, as did Fraser & Jason Trethewey.

Handyperson

Located in the heart of the Rangitikei we are close to nationally-acclaimed schools, beautiful and affordable housing, and a welcoming community. We're also really close to both Palmerston North and Whanganui cities if you feel like a change of pace. Located near SH1 we're ideally placed for that weekend snow getaway at Ruapehu or rugby game in Wellington.

We're proud of our reputation as a Council that cares for its people, and that of our community. Rangitikei is truly a great place to live, work and play!

We are looking for someone to undertake the maintenance and repair of Council buildings and facilities in our district. You will be an experienced, competent all round builder/handyperson and have your own tools. A great work ethic and time management is a must, as jobs will need to be completed to timeframes.

Main responsibilities will include:

- Carpentry
- Fixture repairs
- Painting
- Urgent remedial works including minor plumbing
- Have a responsible approach to Health & Safety

Enquiries about this vacancy can be made to Gaylene Prince Community & Leisure Services Team Leader, on 06 327 0099, Gaylene.Prince@rangitikei.govt.nz

To apply for this position, or for a job description, please visit our website www.rangitikei.govt.nz

Applications close on July 13, 2018

The Rangitikei District Council is an Equal Employment Opportunity employer.
